**Technical & Trading**

(EASA SALEH AL GURG GROUP)  
ISO 9001:2008 CERTIFIED

# Company Profile

Technical & Trading (T&T) is well-known in the field of air conditioning, refrigeration and equipment supplies. Established in 1951, T&T is one of the 23 companies of the Easa Saleh Al Gurg Group and has complete infrastructure for executing Design & Built Electromechanical (MEP) Projects to exacting standards, a Facility Management Division and a Trading Division.

## Projects Division

Over the past two decades, Technical & Trading (T&T) has built a reputation as a reliable MEP contractor and is actively engaged in executing Design & Built MEP projects. Our engineers have the skill to conceptualize, design and execute projects for HVAC, Plumbing, Electrical (LV & ELV), Fire Fighting, Fire Alarm, BMS and other related services. With a team of more than 120 Engineers, Draftsmen, Supervisors and Technicians in the projects division alone, T&T has the technical competence to execute projects of the highest quality and within the desired time frame. With an in house maintenance department, staffing a further 180 technical staff, T&T can undertake facility management of these projects once completed and handed over by projects team, with a high level of expertise.

# Maintenance Division

Optimal facility management of electromechanical systems in a building, with the least downtime is an essential prerequisite for all building owners. Our maintenance business has been active since the inception of Technical & Trading (T&T) in 1951. We can justifiably claim to have the most experience and competence to satisfy the diverse requirements of all clients.

With its fleet of 30 vehicles, 180 technical staff, comprising Engineers and Technicians, this division caters to several esteemed customers like ADNOC, ENOC, EPPCO, EMARAT, Dubai Police, DEWA, FEWA, ABB, Engineers Office, Empost and Etisalat among several other government and private clients. T&T has both mobile and resident teams covering all the emirates of UAE from the Western Region of Abu Dhabi extending to Fujairah and Ras Al Khaimah. A well-equipped central store in Al Awir supplies parts for this department, offering the lowest downtime in the industry.

## Trading Division

For the past five decades, Technical & Trading (T&T) is known as one of the premier suppliers of air-conditioning and refrigeration equipment along with efficient after-sales service. T&T represents global brands such as Danfoss (Denmark), Insect-O-Cutor (UK), Maneurop (Denmark), ECC (UK), Redox (Netherland) etc. Our range of products include:

Exclusive Distributor

Danfoss House Hold Compressors / Condensing units

Danfoss Air conditioning & Refrigeration Controls

Danfoss Maneurop Compressors / Condensing units

Danfoss Scroll Tech Compressor

Danfoss Thermostats / Industrial Controls

Danfoss Balancing Valves, Socla Valves

Danfoss Variable Frequency Drives, Soft Starters

Our Ref:RE/132/2271/05

To Whomsoever It May Concern

This is to inform that M/s Technical & Trading Establishment have successfully completed HAVC and mechanical works in Al Gurg Tower-1 on Plot#109-125, Regga Al Buteen. They are also maintaining Air conditioning installations in all our buildings. Currently, we have finalised HAVC and mechanical works with them for 3B+G+3 floors Building on Plot#318-304, Al Karama.

Thanking you

Yours faithfully  
  
DANIEL J VICTOR

To Whom It May Concern

Please be informed that M/s Technical & Trading Establishment is doing the HVAC Electromechanical works as our subcontractor for the DEWA substations. They have successfully commissioned the air conditioning system in the Emirates Mall. Moreover, their prompt response and cooperation on site resulted in getting a high standard of workmanship.

We wish to inform our satisfaction to the performance of the M/s Technical & Trading Establishment.

Best regards,

  
Kamel Majid
